

United Way Partner IT Alliance  
Assistance Request

Agency Name: Dakota Center Inc.  
33 Barnett Street  
Dayton, Ohio 45407  
(937) 228-8961

What we need: (volunteer time, equipment, etc.)

1. Staff relief volunteers for the summer and programming projects.
2. A projection screen and a projector
3. Need someone to volunteer to locate grants for special projects and new projects.
4. We need a volunteer computer teacher and GED training teacher (can lead to possible grant funding pay).

If volunteer time, estimated duration of need:

2 hrs a week/ during vacation time/ according to program needs

How we will support the gift on an ongoing basis:

1. Utilize volunteer for the summer programs and already established programs for consistency.
2. Help find grants that will be able to keep new projects and programs continually running.
3. The projector will be used to implement information to the community.
4. To possibly add to the staffing a computer teacher and trainers of GED for on site projects.

How the gift will support our agency in helping the community:

1. Having Volunteers will keep a continually flow of all activities running without a pause in the project.
2. A projector and screen will allow those in the community and in meetings to learn visually and allowing the flow of implementation of the assignment to be viewed.
3. Having someone (volunteer) to locate grants for new projects will help those who write the grants, thus cutting time in searching.
4. A volunteer computer teacher or student could possible utilize their training as a work experience &/or lead to a permanent position through grant funding.
5. A GED trainer could also lead to a permanent position training as a work experience &/or lead to a permanent position through grant funding.
