

## Order now to get the Directory your agency can't live without!

Wouldn't it be great to have local health and human resources at your fingertips? Could you use this invaluable resource for grant writing and funding support right at your desk?

The newest edition of the Directory of Community Services is now available on CD-Rom and paperback. The Directory of Community Services will be an invaluable tool for your clients. The information in the resource database list each distinct service provided by an organization. For each program, you will have access to fees, eligibility information, service area, hours of operation, programs description and service sites.

United Way's HelpLink 211 Directory of Community Services is a wealth of resource information on health and human service agencies primarily serving Montgomery, Greene & Preble Counties.
